30 Union Street - Hillsdale, MI 49242

(517) 437-4465

Monday - Friday 7 AM - 7 PM & Saturday 8 AM - 4 PM

490 Olds Street - Jonesville, MI 49250

(517) 849-7500

**Monday - Friday 7 AM - 7 PM, Saturday 8 AM - 4 PM
& Sunday 10 AM - 4 PM**

In 1960 Wilson's Auto Parts opened at 30 Union Street in Hillsdale, which later became Performance Automotive.

Rich Galloway started working for Performance Automotive in 1989 and became the owner in 2002. In 1990 the Napa Auto Parts Store in Jonesville was acquired and became the second Performance Automotive location in Hillsdale County.

Performance Automotive is a full service Bumper to Bumper auto parts supplier that services everyone from the shade tree do it yourselfer to the high tech ASE certified service centers as well as the auto dealerships. Performance delivers just what their name implies, from a comprehensive line of OEM parts to the best high performance parts in the industry.

Performance also sells the top products in the industry to keep your vehicle looking good with a host of automotive finish & interior cleaners and protectants as well as a complete line of

custom paints and aftermarket accessories to give your ride that show quality appeal.

Both Performance Automotive locations are Curtis Snowplow authorized dealers and the Jonesville location can even install the product for their customers. Performance also stocks parts for other brands of snowplows.

Both locations offer in house brake drum and rotor turning. The Hillsdale location has a complete engine machine shop to do custom milling boring and machining to give the classic and muscle car enthusiast, local dirt track racer or extreme performance junkie the high performing engine with the extra horsepower they desire.

Performance Automotive of Jonesville is also a U-Haul rental facility offering many options for the do it yourself mover. A propane filling facility is available on site and is equipped to fill any size portable propane tank including RV tanks.

Always a promoter of buying and supporting local business, Rich Galloway firmly believes in the slogan "Buy local with pride". Performance Automotive is a key supporter of the Hillsdale County Car Show and Summerfest and was a corporate sponsor for many years. Both locations are very giving to the community that supports them by contributing to many local charities and organizations.

Whether you are looking for that replacement part to keep your vehicle running, looking for that extra performance or want to enhance your vehicles inner and outer appeal give

Rich Galloway or his staff a call

at (517) 437-4465 (Hillsdale)

or (517) 849-7500 (Jonesville)
